WORK EXPERIENCE

Combat Operations Analyst

The Research and Analysis Center - FLVN

09/2021 - 12/2027

Fort Leavenworth, USA

Achievements/Tasks

- Led predictive analytics to identify key trends and threats, shaping mitigation strategies and influencing modernization decisions for the Army Chief of Staff, impacting over 34 units.
- Directed two pivotal studies: The Army Aviation Brigade Sufficiency Analysis and Program Objective Memorandum 25-29 modernization, using war-gaming and statistical models to guide strategic decisions affecting two major programs.

Cryptologic Officer

US Central Command

06/2019 - 09/2021

Tampa, USA

Achievements/Tasks

- Managed a 14-member Military Intelligence team, enhancing collaborative operations between CENTCOM and the NSA, leading to a 30% improvement in data-sharing efficiency.
- Coordinated the development and distribution of over 100 strategic and operational intelligence documents annually, significantly enhancing the effectiveness of national and NSA-specific Cryptologic Support Plans.

All Source Intelligence/Electronic Warfare Officer

US Army

06/2018 - 06/2019

Camp Casey, Republic of Korea

210th Field Artillery Brigade

Achievements/Tasks

- As senior Intelligence Officer for the Army's premier forward-deployed Tactical Missile System, I oversaw high-stakes intelligence operations, ensuring the safety and success of our missions.
- Led a 23-member team in delivering critical intelligence that enhanced the Counter Fire Task Force's targeting accuracy by 40% and situational awareness during key training operations.
